What do you give someone who already has it all, forever and ever?

Did you just say, “How about the fleeting illusion they don’t have it all, to create a sense of adventure, to fill their days with drama, and to impose upon them the almost unbearable lightness of being that all angels feel when dancing in time and space . . . dude”?

**Or was “dude” actually “duh”?”**

Don’t believe in the fleeting illusions, dude - The Universe

P.S. For all the hoopla, heaven can get pretty boring without sometimes believing in have and have not, here and there, now and then . . . shaken not stirred.

Truths of Being

The Absolutes of Time and Space

1) We are all One
   (of One, of God, divine, interconnected).

2) Thoughts become things
   (We are creators).

Thoughts become things!
   (God, consciousness, energy, us).

3) Life is love
   (There is only God).

4) There is only Love
   (There is only God).

5) It’s all good
   (Everything is exactly as it should be).
Ain't it grand?

Doesn't it boggle your mind? The harmony, the splendor, the beauty? The intricacies, the synchronicities, the staggering perfection? Do you ever wonder how it all came about?

Do you think I studied quarks, atoms, and molecules? That I drew schematics for the sun, the moon, and the stars; the otter, the Gila Monster, and the penguin? Do you think I painted every zebra, flower, and butterfly?

Or, do you think I simply imagined the end result?

And that's all you ever have to do.

PS - I hated school.
Thoughts become things!

The Miraculous Mechanics of Manifestation:

1. Define your End Result.
2. Show up. Take action.
   Never stop.
The Nuances!

THOUGHTS BECOME THINGS!

1. The cursed HOWS
2. The cursed WHOS
3. Attachment to unimportant details
Do you have any idea how many princesses have gone unrecognized by their prince because of logic? Or how many princes have gone unrecognized by their princess because of pride?

How many dreams were dashed when the handmaiden answered the door? Or when the gatehouse was mistaken for the mansion?

Or when the calm before the storm of abundance and good fortune was viewed as a sign to retreat?

Happily, we’ve got forever and ever. And fortunately, it’s never too late to see what one’s missed, remain focused on the dream instead of the hows, and move with unwavering faith.

Yeeeee-haaaaaahaaaah!

The Universe

P.S. Oh no, don’t feel sorry for the handmaiden! She stuck around, her prince showed up, they inherited the mansion, and were showered in good fortune forever and ever.
1. The #1 reason people don’t lead happier and fuller lives is because they don’t confidently understand who we are, why we’re here, and all we’re capable of.

2. Every man, woman and child is here in time and space to thrive, with an inclination to succeed, and the ability to discern all truths.

3. The “absolute” of our lives that gives us traction, is the principle of our thoughts becoming things!

4. The “how’s,” “who’s,” and details are the domain of the universe. Our most important job is simply deciding upon our end results.

5. Sometimes getting a little logical and physical are the most spiritual things you can do.
I know that you know that there’s more to you than flesh and bone.

I know that you know that you’re more than what time and space can contain.

And I know that you know that there’s a greater self, a greater you out there, beyond time and space, whether you call it your greater self, your guardian angel, or your soul.

Yet I also know there’s still some question in your mind as to who, what, and where that other part of you is.

Well, I think the time has come to make the introduction.

It’s me!

As you were,
   The Universe

P.S. You weren’t expecting some little Tinker Bell, were you?
1) What thoughts of yours have become things?

✓ At work or in business?
✓ In your relationships?
✓ At home?
✓ Socially?
✓ In health, appearance, or otherwise physically?

2) Share your favorite story with a partner.

What do I want to be/do when I grow up?

Who am I?

What niche can I fill that no one else can fill?

What **should** I do with my life?
Chart Your Course

3 ULTRA EASY Questions For Immediate Direction:

1. What do I want?
   (Targeting your destination.)

2. Where am I today?
   (Establishing your starting point.)
   1) You’re doing something you’re not that wild about. OR,
   2) You have nothing to do, no life traction. “Your car is idling in park,” whether of your choosing or not.

3. Which paths will I take?
   (Charting your course.)
3. Which path you take depends on “Question 2’s” answer:

1. You’re doing something you’re not that wild about.

   KEEP DOING WHAT YOU’RE DOING BUT DO IT BETTER!

   OR...

2. You have nothing to do, no life traction. “Your car is idling in park,” whether of your choosing or not.

Treating “any old job” as if it were your dream job is the fastest way to spark the kind of life changes that will yield your dream job.

Same for any old house, friend, day, life—or pair of espadrilles.

Yeah,
The Universe

A Note from the Universe
1. The cursed **SHOULD**S are as “bad” as the cursed HOWS! Be led by your dreams and desires.

2. When you DON’T know what else to do, keep doing what you’re already doing, but **DO IT BETTER**.

3. When you DON’T have something to do, do **ANYTHING**!

4. **ACTION** brings clarity and creates traction.

5. Where you are is NEVER **WHO** you are. It’s just a step along an infinite path. **WHAT** you’re doing, what you’ve done, and what you will one day do, is always temporary.
Do you think I ultimately reward those who live in poverty?

Do you think those who toil and sweat from paycheck to paycheck are more likely to inherit the Kingdom than those who work in ivory towers?

Do you think I take special notice of your sacrifices?

Am I pleased when you put the needs of others before your own?

Do you think I favor those who strive to live spiritual lives?

Actually, dearest, I don’t give a flying yahoo.

I love you no matter what rules you make up.

Talk about unconditional,

The Universe
1) Where are “shoulds” guiding you instead of desires?

- At work or in business?
- In your relationships?
- At home?
- Socially?
- In health, appearance, or otherwise physically?
2) What are you now doing, that you could be doing better?

- At work or in business?
- In your relationships?
- At home?
- Socially?
- In health, appearance, or otherwise physically?

The thing that most forget while dreamily looking off into the horizon for their ship, is that such ships never sail in... but are actually built beneath their very feet.

So let’s play both ends to the middle.

1. Being **EXCITED** about life is never enough to **CHANGE** your life.

2. The reason you hoist your sails is not to move the boat, but to **HARNESS THE WIND**.

3. Miracles become automatic for those who:
   
   1. UNDERSTAND REALITY.
   
   2. DREAM (in terms of the end result).

4. The difference between cursed HOWS and taking action lies not in **WHAT** you do, but in **HOW** you perceive the reasons for doing it.

5. For every step you take, the Universe takes **10,000**.
The odd thing about inspiration... is that it usually comes after, not before, a new journey has started.

A little-known secret...
concerning life in the jungles of time and space is that however far you reach, you will go further.

However great your dreams, they will be grander.

And however much you love, you will be loved much more.

We call it the Law of Increasing Returns.

Love you much more,
The Universe
Your Thoughts

Defensively - Start a “new train” running!

Offensively - Visualize. It’s the least you can do TO GET THE MOST.
7 Guidelines for Visualizing, Pg 15

1. One time a **day** is all that’s necessary
2. No longer than **5-10** minutes at a time
3. Imagine every **conceivable detail**
4. Feel the **emotion**
5. Put yourself **in the picture**
6. Dwell from the end result, **or beyond**
7. **Get PHYSICAL!!!!**
Anyone watching you?

Good. This is a double-secret exercise.
Pretend you just received a phone call with wonderful, mind blowing, life changing news!

As you put down the receiver, your arms fly up over your head with joy. Pumping fists, then waving palms, like you just crossed a finish line before throngs of adoring fans. You cover your face with your hands trying to contain the euphoria, but it doesn't work, so you reach for the sky again while shaking your head in disbelief.

You're grinning, crying, and just so happy! Yes! Life is awesome, and you feel so grateful!!!!!!!

Got it?

The Universe xxoo

PS - Now if someone catches you doing this, just tell 'em it was your pet psychic who called, and they'll forget everything they just saw.
Your Words

Defensively - Choose them wisely.

Offensively - Declare that you are the person, living the life, of your dreams.
What if suddenly,
in a flash of fire and light, you got “it”?  
And among other things, you suddenly understood, without a doubt, the creative power of your word? 
Do you think you’d ever again utter, “It’s hard,” “It’s not working,” “Something’s wrong with me,” or “I don’t know”? 

Nope, you wouldn’t—not ever again. 

You’ve got “it.” 
The Universe
Your Actions

Defensively - Pay attention.

Offensively - Act “as if”:
1) Preparing for its inevitability.
2) “As if” dream already a reality.
Acting “AS IF”:

PRETEND your dream of ___________________________ was inevitably about to happen or has already happened. List ACTIONS you can now take that either prepare the way for the inevitable manifestation of your changes, or that presuppose your manifestations have ALREADY come to pass:

PRETEND your dream of **A TOTALLY ROCKING LIFE** was inevitably about to happen or *has already happened*. List ACTIONS you can now take that either prepare the way for the inevitable manifestation of your changes, or that presuppose your manifestations have ALREADY come to pass:

### Prepare the Way:

1) Shop for / Test drive new car
2) Rearrange “furniture of life”
3) Know interest rates at banks
4) Buy exercise/running shoes
5) Choose new wardrobe

### Acting “As If”:

1) Have dinner party celebration
2) Buy Concert tickets for 2
3) Buy a tie/teddy bear as gift!
4) Take unplanned time off
5) Write letter telling of success!
Straight from the fabled Akashic Records:

Time and Space is where you chase things you pretend you don’t have—love, friends, and abundance—while worrying about things you pretend you do have—problems, challenges, and issues—until one day you happen to notice . . .

the prophetic powers of pretending.

In case that helps any.

Tallyho!

The Universe
1. Your words and deeds are simply forms of **THOUGHT**; tune in to learn what you’re thinking, and be proactive to create change.

2. **HAPPINESS** literally rearranges the material elements of your life.

3. **PHYSICAL DEMONSTRATIONS** override and suppress any invisible limiting beliefs that contradict them – known or unknown.

4. In all cases of safety, health, comfort, or doubt, **PLAY BOTH ENDS TO THE MIDDLE**.

5. Gratitude for what you have, **CREATE MORE OF IT**; gratitude for what you don’t have, **EXPRESSED AS IF YOU HAD IT**, hastens its manifestation.
Happiness, dear heart,
is what greases the wheels of life.

It’s also what opens the floodgates, marshals the forces, commands the elements, raises the sun, aligns the stars, beats your heart, heals what hurts, turns the page, makes new friends, finds true love, calls the shots, waves the wand, connects the dots, feeds your mind, frees your soul, rocks the world, and pays compound interest.

Yeah, so easy to forget.

Wild on!
The Universe

A Note from the Universe
1) Create a script that you can visualize, writing it in a “Reverse Worry” letter:
- To whom?
- Reminisce/catch up, make it realistic.
- What goal have you just accomplished?
- What are 5 reasons it was so easy?
- How did you celebrate?
- What gift are you giving them?
- Sign off in your own fun way!
Hi Roxy, how are you and Tigger? Have you been sailing lately?

Guess what? Remember my invention, the ‘Kitten Leg Warmers’? Donald Trump just bought the patent!! He paid me $7 million dollars! He also asked me out, but I had to fire him.

Ever since I went to Omega my life has been easy! I also think it helped that I learned to knit, plus, going to the gym, joining Toastmasters, and finishing high school. I’ve realized I am a natural born entrepreneur!

Anyhow, I’m writing you from Paris. Candy and I just did France! Met some amazing people! Incredible wine, boring men. When I get home, I’m going to redecorate my kitchen and buy you a car!

Love, Bambie

PS – You should see my pictures from Saint Tropez... Suddenly, I’m so photogenic!!
Create **MANTRAS** beginning with:

- I love...
- My life is...
- I am.....
Align Your Beliefs
Quantum Physics 101

The present is defined by a confluence of your thoughts, guided and restricted by your beliefs. The future is what you experience when your beliefs change. Time measures how much energy or effort you require to change your thoughts, or the degree of conflict between old and new beliefs. And space shows exactly what you’re now thinking about.

And therein you see that the one universal, immovable, unifying equation that sums up all things physical and metaphysical is...

Thoughts Become Things,
which is all you really need to know.

TBT,
The Universe

P.S. Of course time travel is possible. You’re doing it now!
Align Your Beliefs

✓ God wants me to be rich.

✓ I have a lot to offer the world.
✓ I’ve always been “lucky.”
✓ Amassing wealth is easy.
✓ I’m a money magnet.
✓ I was born to thrive.
✓ I’m inclined to succeed.

✓ My thoughts become the things and events of my life.
✓ Having more wealth and abundance will enable me to help more people.

New Belief Installation

1. What do you want?

2. What would you have to believe?

3. How would you behave?
1. Our beliefs are *almighty*, yet they derive ALL their power from our **THOUGHTS BECOMING THINGS**.

2. You don’t have to know **HOW** you got where you are today, to **KNOW HOW** to move forward deliberately. Nor do you have to know what your **INVISIBLE BELIEFS** are to move beyond them.

3. The only thing standing between you today and the life of your dreams, are the **THOUGHTS, WORDS, and ACTIONS** you choose between now and then.

4. Installing new empowering beliefs is as simple as knowing what **BELIEFS** you want, and then **ACTING AS IF** they were yours.

5. Giving and tithing are powerful physical demonstrations that clearly state, “I am **PROVIDED FOR**!” And so you shall be.
While I would actually LOVE to help every living soul on the planet remember who they were in prior lives, why the pyramids were really built, and how their past beliefs shaped present manifestations, I’d infinitely prefer to help them bust a move here and now, learn some new tricks and live their dreams, which, incidentally . . .

*is the only reason anyone ever chooses to come back.*

Let’s do this, The Universe

P.S. Suffice it to say, Your Highness, you’ve always been crazy-sexy-cool.

An enlightened soul is not one to whom truth has been revealed but one who has summoned it. And not just when they’ve been driven by pain but also when life’s seas were as calm as glass.

Land ho!

The Universe

P.S. You do have to admit it’s kind of handy that way, pain. Just worked out like that. Honest. Point being, one needn’t wait for it to ask some new questions.
Engage the Magic

Leveraging the Universe
The secret . . .

behind miracles is that the one performing them begins without any knowledge whatsoever of exactly how they will succeed.

Yet still . . . they begin.

When you move, I move -
The Universe

P.S. Once again, taking action saves the day.
Waiting for your ducks to line-up?

Forget it!
Waiting for your ducks to line-up?

Just GO!
How could anyone ever say that something hadn’t worked out...
Unless they had quit?

It’s working out,
The Universe

PS – And every day you get closer and every day it gets easier.
1. You may have already reached the **TIPPING POINT** towards your own inevitable success, but you’ll never know unless you keep going.

2. Tomorrow will come with its own **RESOURCES**.

3. The magic ingredient to engaging the Universe lies in **FAITH** based upon **UNDERSTANDING** how life works, in spite of appearances to the contrary.

4. **PERSISTANCE** is part of doing all you can, with what you have, from where you are.

5. All dreams come true vis-a-vie an entirely unpredictable, unknowable **EVOLUTION**, which in part means you never know **HOW CLOSE YOU ARE!**
“The Evolution of a Dream”

Dream is implanted into brain.

Dreamer becomes thrilled.

Dreamer becomes terrified.

*If no action is taken*, terrifying thoughts grow into fire breathing dragons. Dream is considered unrealistic.

*If action is taken*, terrifying thoughts are revealed to be paper tigers. Confidence soars, miracles unfold, and dreamer begins to saunter.

Either way, nothing remains the same.

Yow!

The Universe

P.S. The difference taking action will make in your life is more than can be comprehended. *But, of course, this is also true of inaction.*
1. When have you summoned the MAGIC before? *When a dream came true?*

2. How did you start moving towards these dreams, without knowing how you’d finish, yet you finished? *Probably in totally different directions than what brought them to pass!*

3. What resources, if any, were made available to you after you started?
Adjust Your Sails

Leveraging the Universe
The novice learns to be honest with others in terms of who, what, when, and where.
The advanced soul learns to be honest with self and discovers that “perspective” rules, yet changes swiftly.
The master, however, studies honesty in terms of motivation...

...where heretofore the lies have really piled up!
So what do you really, really, really want . . . and why?

Tallyho!
The Universe

P.S. Being a master can be a bear, huh?
What is motivating you?
   Money, Fear, “Being Right”? 

Are you doing what you know to do?
   Thinking big but acting small? 

Spiritual white-wash?
   Waiting for the Universe? 

Afraid of contradictions?
   Not playing both ends? 

Drawing false conclusions?
   Judging progress with physical senses?
Do you ever wonder whether you’re on the right path?

Do you sometimes feel vulnerable in new relationships?

Does certainty elude you when big decisions loom?

And have you ever gotten nervous at the mere thought of speaking to an audience?

Outstanding! Fantastic! Jolly good!

So have all the legends before you.

Walking on sunshine,
The Universe
1. Your **POSTIVE** thoughts are 10,000 times more powerful than your **NEGATIVE** thoughts.

2. The secret to living the life of your dreams, is to **START LIVING THEM NOW** to any degree you can.

3. Do not judge your progress with your **PHYSICAL SENSES**.

4. You **ARE** the Universe; you **ARE** the Magic.

5. You chose to be here to be **EXACTLY WHO YOU NOW ARE**, and you knew exactly what you were doing!
In just a few words, what were your 3 “take-aways” during the past 3 days?

How will you apply these to your life in the days ahead?
You know how when you visualize something every day, to such a degree that you can literally taste its reality?

And you believe in the likelihood of its manifestation with all your heart and soul?

And as often as you think of it, in at least some small way, you prepare for its arrival?

Yet still absolutely nothing happens?

**Right! That’s impossible!**

Until next time,
